- ✓ 24x7 surveillance of the Campus by 112 CCTV

THE SCHOOL

The Modern School, Barmer is now a recognized landmark in the pursuit of excellence in education and an institution deeply dedicated in the mission of building "Global citizens with Indian values"

The Modern School is set up by a registered society, Ojasvi Sansthan. This society comprises of a group of enterprising people, who have considerable experience in education and are recognized for 'professional development initiatives' for teachers.

The Modern School is set up with a purpose to establish an educational institution in Barmer that would successfully integrate academic excellence with an emphasis on value education and respect for our rich cultural heritage.

We pride in The Modern School being a state-of-art school, deeply committed to its goal of imparting value-based education, even as the vision for the same is global. With modern technology based methodologies incorporated in the everyday use of the teaching-learning process, the school gives importance to the multi faceted development of the student.

We continue to provide more & more students the opportunity to benefit from the rich legacy of the Great Educationist Giju Bhai thought of school and its unique teaching methodologies, providing them with opportunities to recognize their future potential.

Co-curricular activities are given as much importance as the academics. With a team of committed staff who has a passion for what they do, the students learn to raise questions and understand the thing in toto.

The school curriculum, combined with personal support extended by the teachers who choose to be role models rather than mere facilitators, inspire students to realize their full potential. In addition to the school curriculum, we offer academic enrichment programmes that enhance creativity, foster a better understanding of the world, and make their overall educational experience more enjoyable. They are designed to compliment the core courses.

The School through the daily transactions and practices provides a distinctive educational environment that enables young persons to grow not only in intellectual capacities, but also in other dimensions of their being.

While developing the students' intellectual faculties, there is a conscious effort towards creating a wider awareness of the world and giving space for the development of aesthetic, moral and emotional dimensions.

The golden triangle that is formed by the Student, the Teacher and the Parent forms an integral part of The Modern School. When your child is enrolled, you become a partner in education.

If you wish to see happy, smiling faces, eager hands and curious minds, laughter ringing out carrying sunshine through, The Modern School is the right place for you and your child!

Come; let your child be a part of this growing happy family

OUR BELIEFS & PHILOSOPHY

We firmly believe that as an institution dedicated to the cause of education, we must passionately help children to recognize their true potential and shape them into confident, responsible, balanced and multi faceted individuals with well-groomed personalities.

We have a sense of pride in our rich cultural heritage, ancient wisdom and value systems that will go a long way in helping them always "think good and act good" as they prepare to face the challenges of tomorrow.

We set high ambitions in life and encourage them to passionately pursue their goal with divine devotion, they become lifelong learners, gain knowledge, think, question, apply, innovate and be in control of their lives and challenges at all times.

We wish them to be globally competitive citizens with firm roots in Indian Values.

To inculcate in them the need to achieve human excellence even as they strive for academic excellence.

CORE PURPOSE & CORE VALUES

Our Purpose:

Our core purpose is 'To create leaders for tomorrow' At TMS, we believe that it is the youth of today who stands CenterStage in the socio-economic development of our nation and will lead the nation to colossal heights across the globe. Our students will be the leaders for tomorrow, they will galvanize their passions and desire into real action.

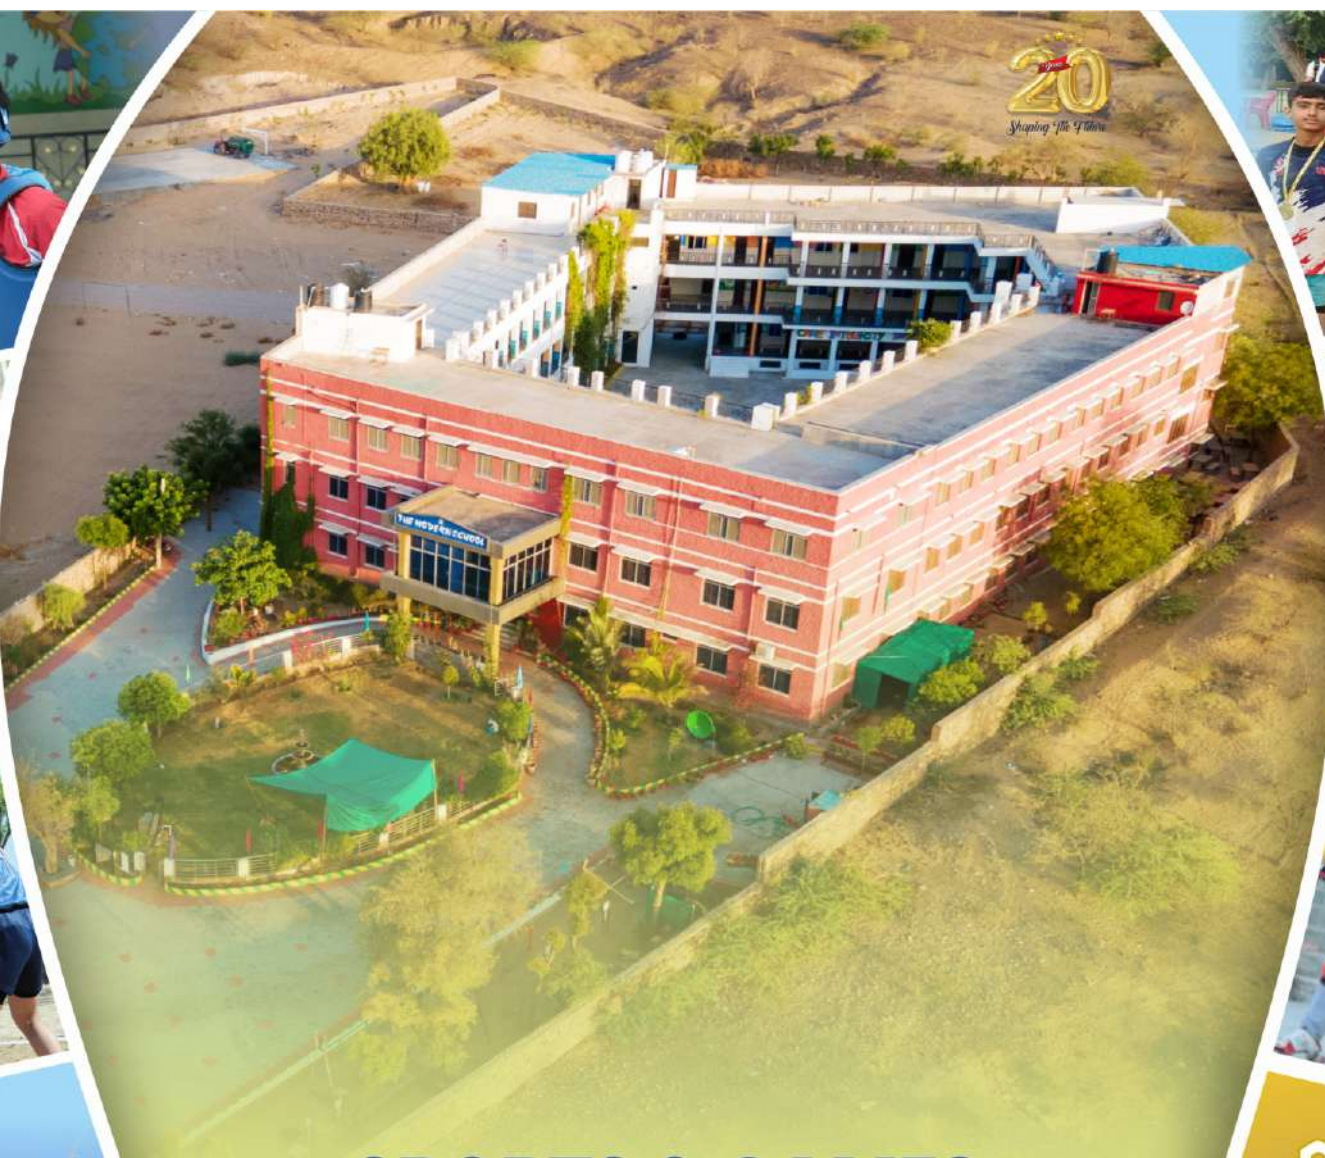

Core Values:

Our core values are-Care, Integrity, Innovation.

Care: At TMS, our target is not only to carve out intellectuals who excel in every field but also to make them good human beings, who are caring and sensitive towards nature and society, who are capable of both receiving and giving physical and emotional support.

Integrity: Integrity is one of the most significant fundamental value that we try to inculcate in our students. Our students learn to live with integrity. They learn to live up to their values and honour their commitments. Honesty and trust are central to our school core values.

Innovation: Innovation has been of great importance for us at TMS. Innovation is a way of doing things differently and produces better results. It has become a part of work culture now. For us, innovation (or being innovative) is not just a value but mind set or a way of life. In order to foster innovation, we favour ideation by organising various workshops, brainstorming sessions and group discussions for the students as well as the teachers.

SYLLABUS & STANDARDS

The Modern School with English as a medium of instruction follows the curriculum guidelines and syllabus laid down by the Central Board of Secondary Education (CBSE) School is affiliated with CBSE New Delhi.

The Modern School syllabus is built on a rich foundation of reading, writing, and arithmetic. That foundation is then layered with History, Science, Music, Geography, and the Arts to ensure no gaps in instruction. The time-tested curriculum is built on the principle of subject integration. Topics that lend to each other irrespective of the Subject it actually belongs to or caters to become imperative in the teaching learning process. This reinforced study across subject areas develops higher order thinking skills and promotes content mastery.

ASSESSMENT

To ensure ongoing learning without anxiety and fear an approach of holistic assessment will be observed using variety of tools. Continuous assessment will cover both scholastic and non scholastic aspects of pupil growth including health status, attitudes, aptitude, interests, personal and social qualities, proficiency in co-curricular activities and academic competence.

PROMOTIONS

1. Promotion is based on the day work of the student throughout the year and also on the performance in terminal examination.
2. A student must obtain minimum of grade D in all subjects under scholastic areas.
3. The principal reserves the right to detain students with-
 - (a) Irregular attendance
 - (b) Unsatisfactory progress in studies
 - (c) Unfair behavior and conduct in common
 - (d) Minimal participation in co-curricular activities and defaulter in fee payments.

Honesty, cleanliness, good manners and loyalty are expected from every child. Anyone not conforming to the school ideals may after due notice to the parents be asked to leave

RULES FOR ADMISSION & WITHDRAWAL

1. A student who joins fresh or from a recognized school has to produce an **official Birth Certificate** in support of the date of birth.
2. A student will be admitted only on producing a **school leaving certificate**.
3. No leaving certificate is issued until all sums due to the school are paid in full.

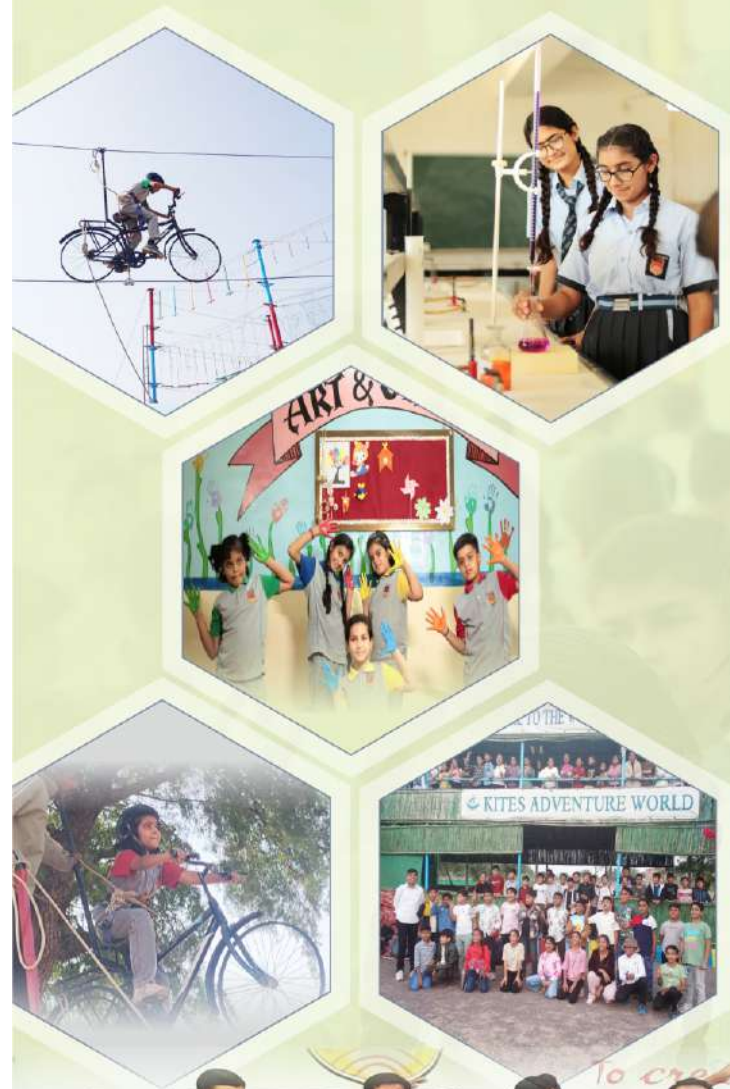

Rules For Depositing Fee

1. All fees are to be paid strictly in advance.
2. Fees once deposited will not be refunded.
3. All fees except new admission, are to be paid in cash/UPI or cheque.
4. All fees are to be paid before 10th day of first month of the quarter.
5. Small children should not be entrusted with the fee.
6. Students will be allowed to appear for final Examination only on payment of all the dues.

SCHOOL TRANSPORT

Buses are provided for commuting to school and for trips organized by the school. It is expected that all the students using bus would maintain discipline.

In case availing/discontinuing/change of bus service, the parent should inform the school in advance.

To create leaders for tomorrow
